Integrated Transport Centre (Abu Dhabi Mobility)

As a government authority, we plan, regulate, and enable Abu Dhabi's integrated transport ecosystem across land, air, and sea.

Through strategic initiatives, we support the emirate's vision to become a leading global maritime hub by enhancing marine transport infrastructure, improving waterway connectivity, and integrating maritime mobility into the wider transport network.

Keep in touch with us.

Abu Dhabi Maritime

As the custodian of Abu Dhabi's waterways, we work in close partnership with government entities, industry stakeholders, and the wider maritime community to deliver a resilient, world-class operating environment that enables maritime businesses to operate, invest, expand, and thrive in one of the world's most strategically positioned maritime hubs.

Keep in touch with us.

Maritime Hub Abu Dhabi (MHAD)

Uniting government and private stakeholders through a robust network, dedicated working groups, and collaborative initiatives, we drive sustainable growth across our emirate's maritime sector. A platform for connection, creation, and collaboration, we are strengthening the maritime community, unlocking opportunities, and positioning Abu Dhabi as a leading global maritime centre.
